EAST ALABAMA NURSERY
Loachapoka, Alabama

TO

U.S. Department of Agri. Library
Washington, D.C.

We put forth every effort known to the nursery trade to supply healthy and true-to name nursery stock, and we will replace any stock shown to be otherwise. Our responsibility, however, is limited to the original purchase price. All claims for errors, shortages, etc., must be made within 10 days after shipment is received. All orders received are booked with the understanding that they are subject to the right to refund the payment when shipment cannot be made. Our liability for nursery stock ends when it is placed in the hands of the transportation agent. At all times we shall be pleased to advise on such matters as growing and methods of handling nursery stock.
